

# The Plah Winelist

Our focus is white wines, and Riesling from Germany. We have a wide range from bone-dry to semi-dry to sweet wines. Riesling with some residual sugar is something many are a little scared about, but with our food, this is just so incredibly exciting.

You will also find a wide range of quality wines made of other grapes and from other parts of the world, both red and white. However, the most important thing is that you find the wine you prefer.

Enjoy!
